

Goals for **SEO**

SEO

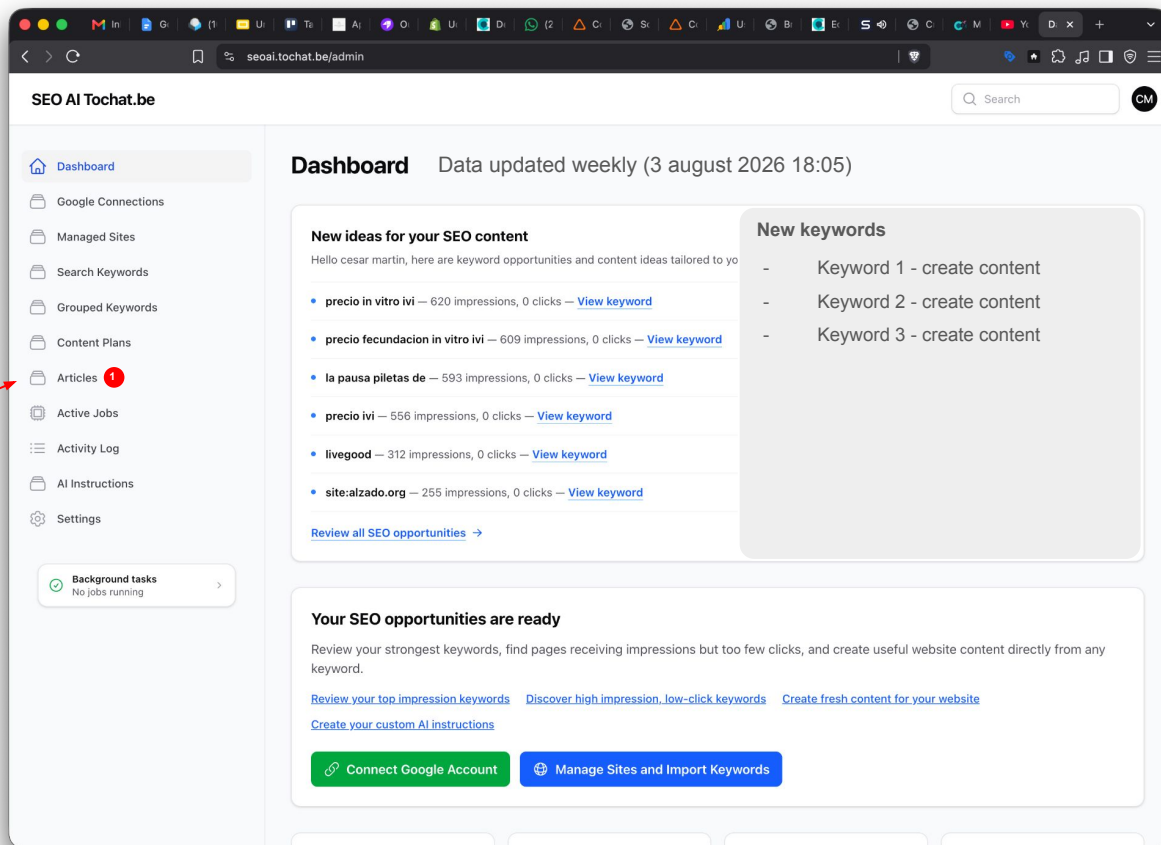

Identify “New keywords”. Make a column in the home page for “new keywords”.

Add a timestamp for “Data Update weekly”.

SEO

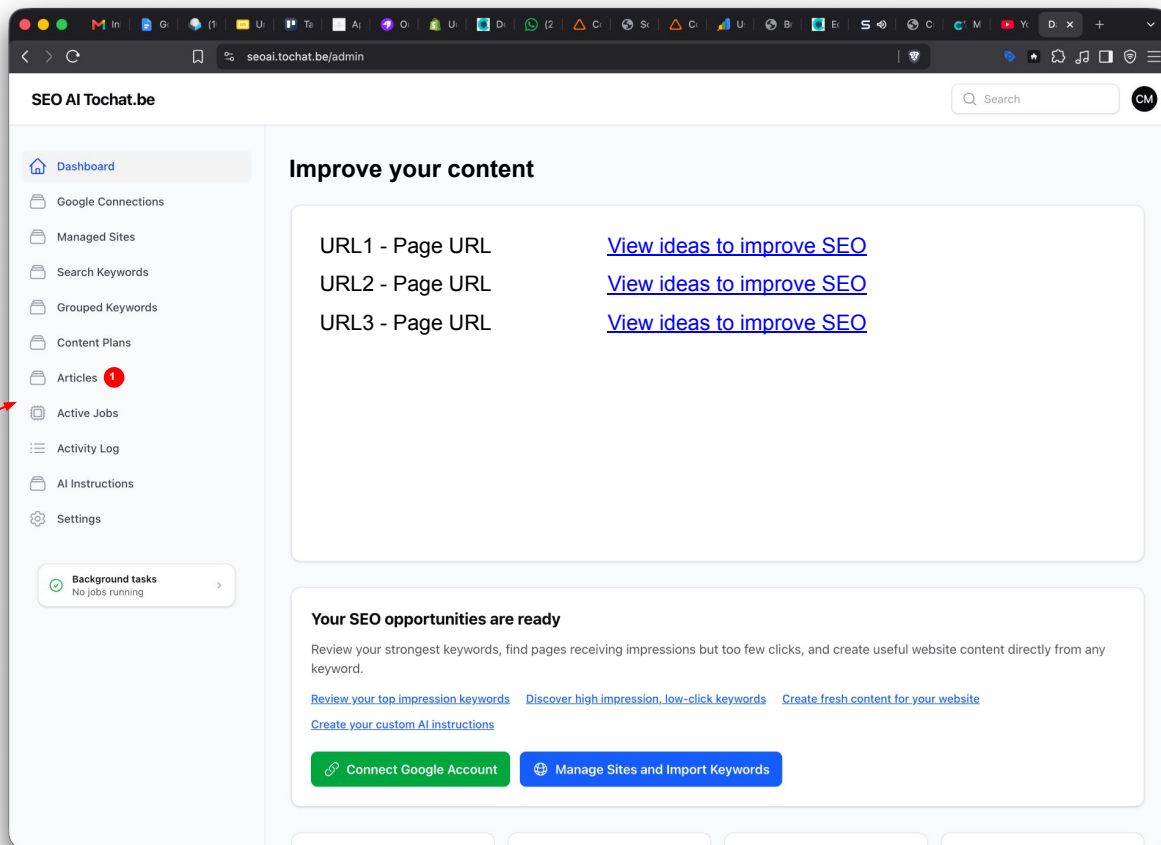

1. Add a “counter” in the “articles”

SEO

Scan URLs with more clicks
and propose improvements for
those URLs

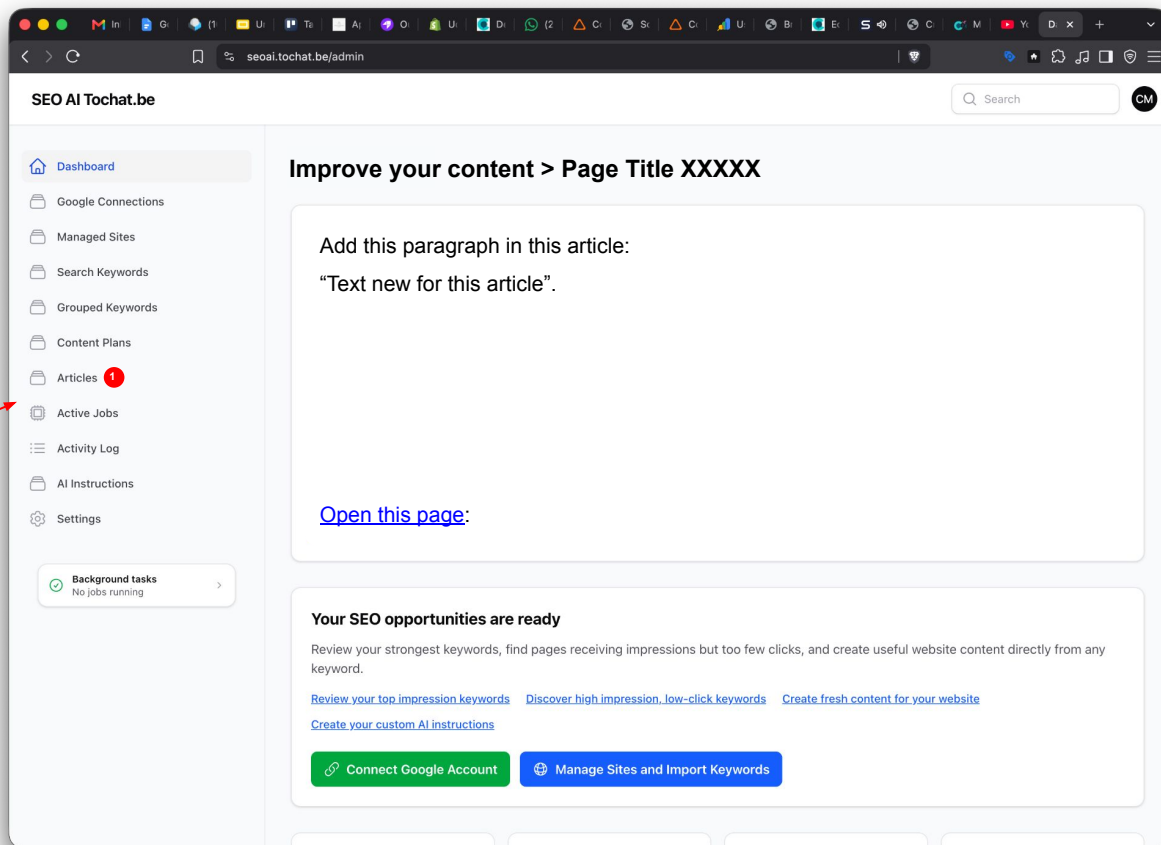

We can add a new section for
“Improve your content”

SEO

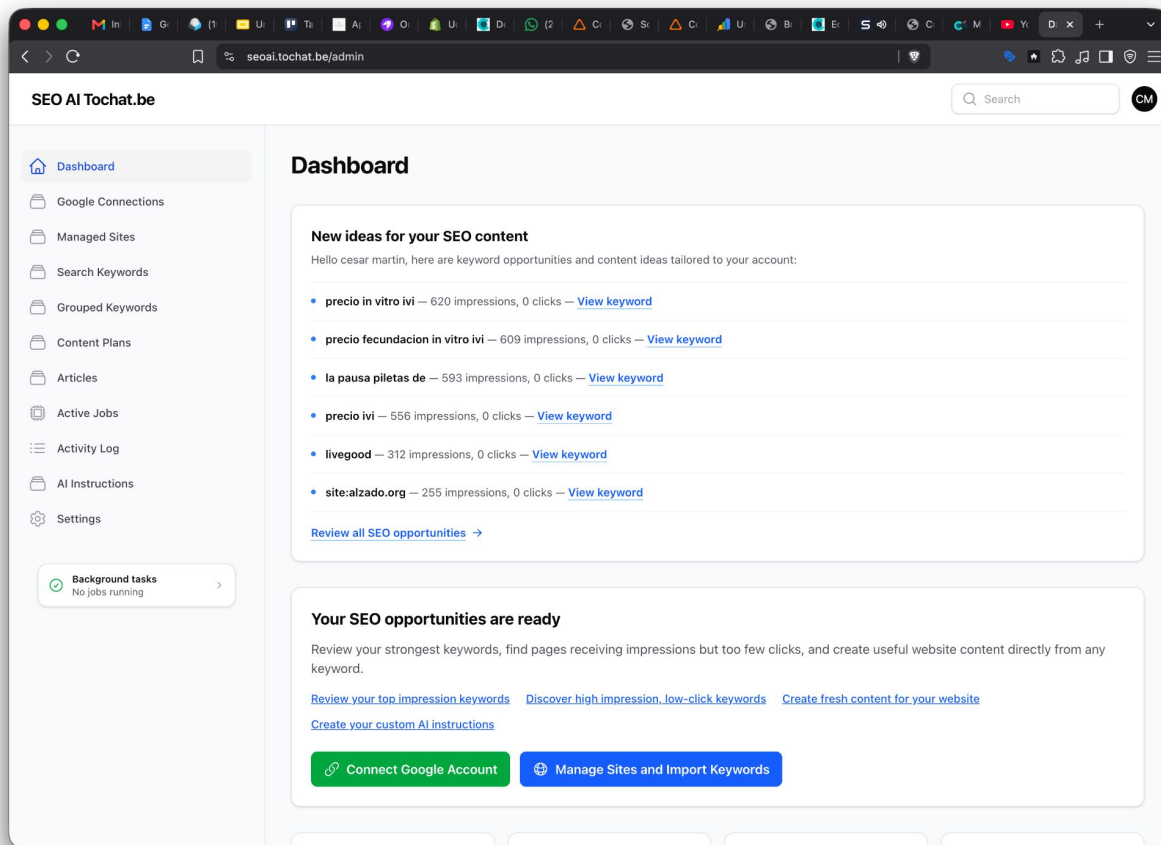

Scan URLs with more clicks
and propose improvements for
those URLs

We can add a new section for
“Improve your content”

Add images to the articles

We need to add an image to the articles created

Connect with **WIX API**.
